BEYOND...Heart and Treasure

“For where your treasure is, there your heart will be also.” Matthew 6:21

Welcome to BEYOND! Our endeavor as a church to move forward, beyond all possibilities, opportunities, and challenges is well underway. Raquel and I, and an army staff and teams are so encouraged to see many friends and members join this spiritual and financial journey that will secure stability and enhance our vision to see every heart healed. I’m ecstatic to see what God is doing.

As the verse above says, our heart is where our treasure is. And, besides God, our treasure is the next generation, our children, who will continue to live for God and work in his Kingdom.

This booklet contains important information related to our case statement, our incredible story, our presentation, and the challenge to reach our financial goals to be ready when the opportunity knocks.

I want to express my deepest appreciation to the BEYOND team that has worked tirelessly to make this experience memorable and effective. They have been working since last year to prepare everything for you, and for that, I am thankful.

Without a doubt, I know we can do this!

**IT’S ALL A MATTER OF
THE HEART!**

OUR STORY

1966

Fontana Apostolic Church was founded by Pastor Hector Flores on Slover Ave., Fontana.

1984

Pastor and Raquel Valverde assumed the pastorate and name the church: Fountain of Truth Church.

1985

80 members raised \$12,000 for the down payment to purchase the adjacent property (\$95,000) which became Sunday School rooms. Pastor and Sister Rachel would give 20 to 25 home Bible studies every week.

1990

The church was remodeled and expanded from 2100sf to 5000sf. We purchased an additional 2.5 acres behind our property. We opened a second service (English).

1994

The membership grew to 400

2000

We moved from Slover Avenue to Kaiser High School, to the San Bernardino Fairgrounds, to the Fontana Civic Auditorium.

FOUNTAIN OF TRUTH / RANCHO CUCAMONGA

WHERE ARE WE TODAY GLOBALLY?

We launched 3 churches directly from Rancho:

BEYOND

We support a Children's Kitchen in Guatemala (9 years)

EBM (Basic Ministerial Training) a 4-month training course for all pastors and ministers

Seminars, Conferences, Conventions, and Events Worldwide Missionary Trips (Cambodia, Spain, San Luis Potosí)

OUR CHALLENGES

- We are outgrowing every environment in our current facility
- Limited parking restricts the extension of our seating capacity (to expand to 750)
- Congested FTC Kids hallway, check-in and rooms frustrates parents/staff
- Inadequate social space to facilitate sufficient transitions between services
- FTCA has reached maximum capacity
- Our ministry now requires a recording studio for song, video, podcast, etc.
- **Lack of physical stability as we face lease options every 5 to 10 years**

WHERE DO WE GO FROM HERE?

Our analysis reveals that our ability for growth, at our trending rate will cease in the fall of 2025.

If we do nothing, we will simply run out of room. Then what?

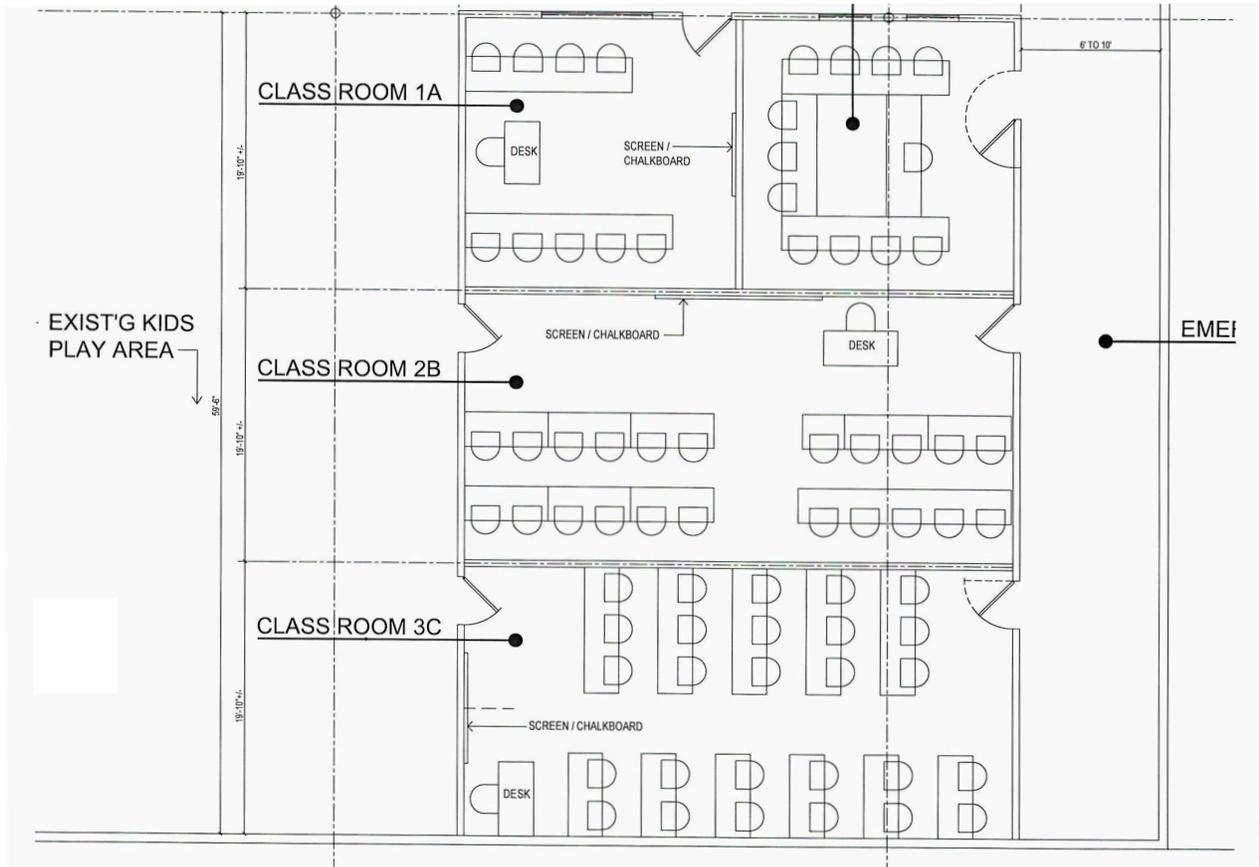

That is a problem, a great problem, nonetheless a problem.

THE TIME TO ACT IS NOW!

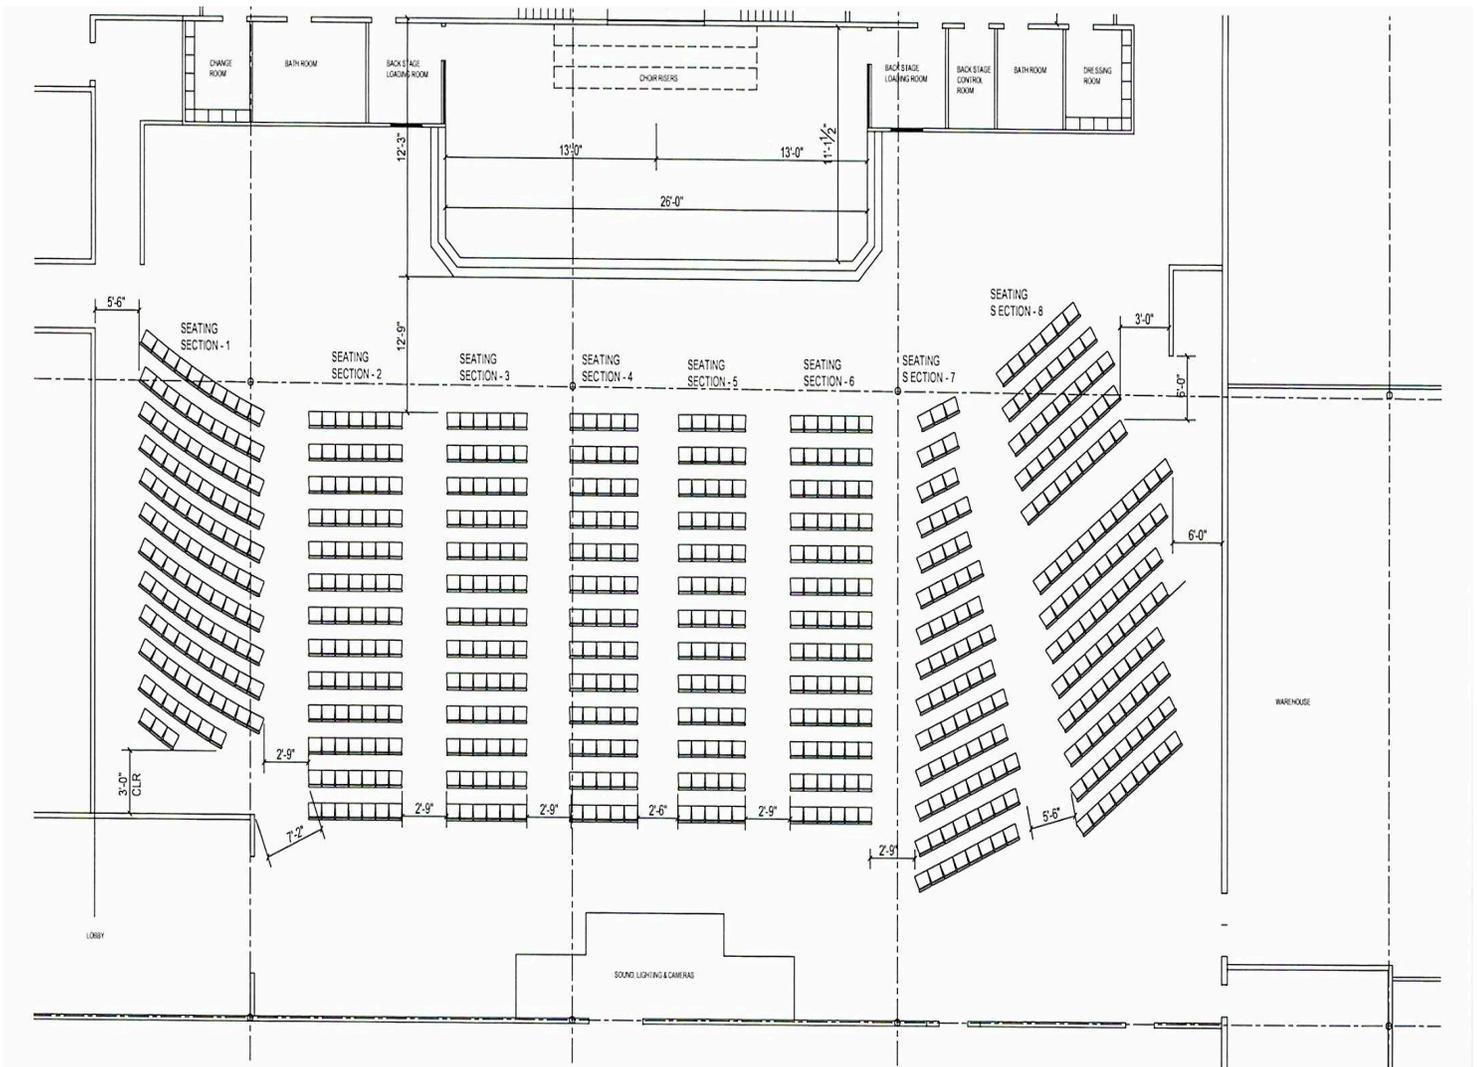

OUR OPTIONS

- Raise the funds for a 20% down payment on current building - estimated price in 4 years \$11,000 million; estimated down payment \$2,200,000
- Owning this building would allow us to build out the warehouse for additional FTCA and FTC Kids space, recording studio, recreational and youth meeting areas.

- Add more services...at some point this will over tax staff and volunteers.
- We could plan to purchase the building next door (not for sale... **“but God”**) which would provide more space and more importantly 74 more parking spaces. This would allow us to use the existing seating areas plus the concrete/fellowship area for services.

OUR OPTIONS

- Seek to buy land or another larger building.

If we wait, the prices to buy, build and expand will increase. The flow of our ministry will be paralyzed, and we will miss the opportunity for hurting hearts to be healed. Our children will have a bigger challenge to develop their ministries, their future.

THE PLAN

- Begin a “more than a campaign” campaign, a two-year initiative (2024 and 2025) with the goal of raising between \$1,500,000 and \$2,000,000. Families will have time and opportunity to join this vision.
- Rest a year.
- Repeat the process (2027 and 2028) with another campaign. That effort would get us close to having between \$3,000,000 and \$4,000,000 to move forward as the Lord opens doors.

CREATIVE WAYS TO GIVE

1. INCOME-TAX REFUND

Commit your income tax refund, or a portion of it for the Lord in 2024 and 2025.

2. ASSETS

Donating an asset (stocks, vehicles, etc.) to the church can be a very creative way to give. If this is a consideration, contact the church office to handle arrangements.

3. PUT OFF PURCHASE

Redirect discretionary purchase funds towards the BEYOND... VISION.

4. REDIRECT IRA'S AND 401(K)'S

Redirect retirement funds for 24 months to BEYOND

5. ADJUST VACATIONS

For the 24-month period of this journey, or possibly for just a part, do something close and inexpensive like day hikes, picnics, or take a three day vacation instead of a week and save on airfare and hotel costs. This can be between \$1000 and \$3000. Or, instead of taking 2 or 3 vacations, only take one.

6. CUT BACK ON DISCRETIONARY SPENDING

Try basic cable instead of premium. Cut down on premium channels, Internet options and other packages and save. Over two years, the savings can add up to \$200 or more. Imagine if 1000 members do that? Make your own coffee!

WHAT ARE WE ASKING FOR?

1. Pray for this initiative to become a reality.
2. Join us in a spiritual journey beginning Sunday, April 14, 2024
Saturday, May 4, 2024.
3. Begin seeking God's direction and obey God's leading in how you can sacrifice for this cause.
